

Design Patterns

Part 1

What is a design pattern?

Elements

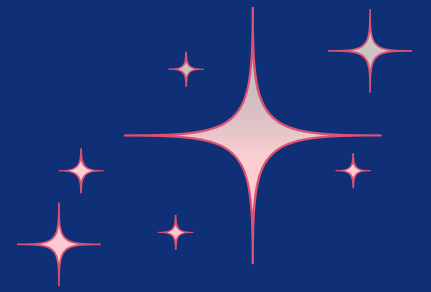

- Name
- Problem
- Solution
- Consequence

Types

- *Creational*
- *Structural*
- *Behavioral*

Creational

Abstract Factory

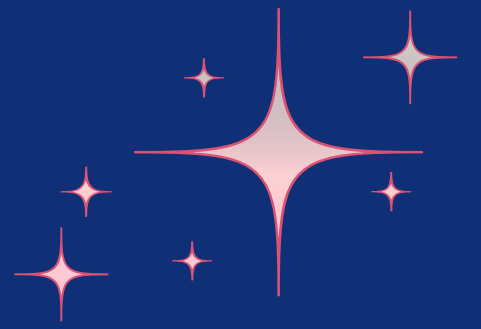

Builder

Factory Method

Prototype

Singleton

Structural

Adapter

Bridge

Composite

Decorator

Facade

Flyweight

Proxy

Shirin Monzavi

Behavioral

Chain of Responsibility

Command

Interpreter

Iterator

Mediator

Memento

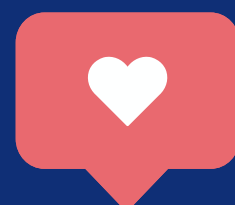

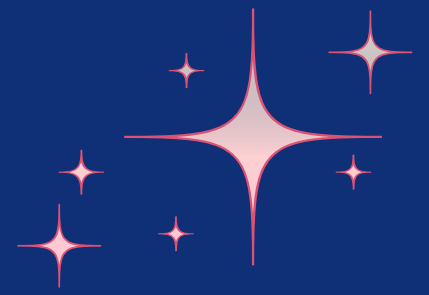

Observer

State

Strategy

Template Method

Visitor

Shirin Monzavi
